THE FUTURE DEMANDS A DIFFERENT KIND OF LEADER. ARE YOU READY TO MEET THE CHALLENGE?

IN *FUTURE-PROOFING LEADERSHIP*, DR. ROSIE WARD PRESENTS A BOLD, HUMAN-CENTERED BLUE-PRINT FOR THRIVING IN THE FACE OF UNCERTAINTY.

Drawing on years of coaching, consulting, research, and lived experience—and through real stories and data from 250 leaders across industries—she unpacks the hidden forces that keep us stuck and reveals the faulty inner programming that quietly sabotages our effectiveness.

Part leadership guide, part inner-work manual, *Future-Proofing Leadership* equips readers to upgrade their mindset, lead with greater courage and humanity, and build teams and cultures that are resilient, purpose-driven, and adaptable in the face of uncertainty.

MEET DR. ROSIE

Dr. Rosie Ward is a sought-after leader, consultant, coach, speaker, and author known for transforming leaders, teams, and organizations to move beyond their innate self-protective wiring to maximize their impact. She serves as CEO and founder of Salveo Partners, an award-winning consulting firm focused on future-proofing organizations by strengthening culture and equipping leaders and teams to show up courageously and more effectively navigate change and disruption. She also hosts the award-winning podcast *Show Up as a Leader*.

- Why traditional leadership development doesn't work in a disruptive, AI-driven world—and what future-ready leadership actually requires instead
- The “Stuckness Zone™”: the invisible gap between what today's world demands and how humans are biologically wired to respond that's critical for navigating change
- The 7 subconscious “Faulty Programs” driving burnout, overwork, conflict, and ineffective leadership behaviors
- The 3 most critical components for ensuring your workplace has future-ready leaders
- Future-proofing yourself as a courageous leader through proven practices

PRAISE FOR *FUTURE-PROOFING LEADERSHIP*

“The definitive guide for leading in an era of nonstop disruption.”

—Alain Hunkins, bestselling author of *Cracking the Leadership Code: 3 Secrets to Building Strong Leaders*

“This isn't another book about coping with disruption. It's a guide for becoming the kind of leader people trust in disruptive times.”

—Zach Mercurio, PhD, author of *The Power of Mattering* and *The Invisible Leader*

“Whether you're a seasoned leader or just starting out, *Future-Proofing Leadership* is your road map for learning how to thrive through change and stay grounded in what matters most.”

—Kristen Hadeed, author of *Permission to Screw Up*

“In *Future-Proofing Leadership*, Dr. Rosie Ward shows readers how to navigate disruption by mastering the messy inner game first. With candor, compassion, and a little sparkle, she gives leaders the tools to replace fear with courage, control with connection, and burnout with purpose.”

—Morag Barrett, executive leadership coach, global keynote speaker, and award-winning author of *Cultivate* and *You, Me, We*
